Honorable William B. Casey
Director of Central Intelligence
Washington, D.C. 20505

Dear Mr. Casey:

It is my distinct pleasure to extend to you and your guest a cordial invitation to attend a Cocktail Reception being hosted by the Disabled American Veterans for the Netherlands USA Association.

The reception isn't just for cocktails. It will highlight a very special era in world history. This event will recognize the 200 years of diplomatic relations between the United States and the Netherlands, as well as give the Netherlands USA Association an opportunity to express its appreciation for sacrifices made by U.S. servicemen during the liberation of Holland in World War II. We would be honored if you could be present when representatives from the six military divisions that participated in the liberation of Holland and their affiliated associations receive the Netherlands Resistance Medal.

The reception will be held on Wednesday, October 6, 1982 from 5:00 p.m. to 10:00 p.m. at:

Disabled American Veterans
